DPW Meeting
December 15, 2014

1. Water Filtration Clarifier job progress and target date for substantial completion (June '15) Also a plant shut-down is getting closer for a major tie-in and coordination with the Fire Dept. will be crucial because of hydrant use.
2. Jersey Ave/E Main St traffic light discussion and legalities in the “right on red arrow” and different options and potential high costs.
3. DEC consent order and Wagner Place sewer line replacement in conjunction with the Sewer Grant we received. Discussion...
4. Gordon St and E Main St building demo:

A: Gordon St asbestos has been removed and progressing with utility removals.
B: E Main St asbestos removal is scheduled for late this week or early next week.
5. Storm line repair on Pennsylvania Ave and the cleaning of the Barcelow St storm lines to help with high water during torrential rains.
6. Orange County Hazard Mitigation Plan meeting.
