

2015 Port Jervis Fire Department

Fire and Emergency Management Meeting

Minutes from: June 15, 2015

Those present: Chief Rhoades, Tom Vicciarelo, Mayor Decker, Frank Bell, Rob Waligroski, Stan Seigel, Jerry Oney, George Belcher, members of Engine 6, Mike Reilly

Call to Order: 7:00

Pledge

Chiefs Report: -Reminders of the upcoming events.. Parade the 11th, 10th inspection and the 9th go to the graves.

-Discussion on the dive calls

-Discussion on museum roof replacement. Had two bids plus was told to get bid from D+L. It will be put on as a capitol project for next year.

Vehicle Maintenance/ Emergency Management: KME charged us twice for repair work to truck 7. We paid for items even though they were reported prior to Feb 15th. The hydraulic leak was past warranty.

Engine 2-trying to get warranty extended again. (going to try to get extended for life of truck) it expires 09/15/2015. There was another analysis done, Need to flush engine asap (CAT)not paying for it.

Stan says we need to start the lawsuit.

The repairs to truck 7 at Latham service center was much better than PA

O&R completed Wallenpaupack drills for the year..

Question was brought about the generator for pike St....Tom will look into it again.

Mike Reilly-Engine 5 and Neversinks echoed.

-Mad Dog Liquor sprinkler finally approved.

-as built on the fire alarm system

-fire extinguishers need to be inspected

-Met along with Dave Rivera for joint inspections at 116 Franklin St for issues..-

-Mike asked about reinstating the department head checklist on building permits.

-stated that Styles barbershop had violations for emergency exits blocked

-Discussion of cooking at Bucklys corner-Per code the place has to have a suppression hood.

Questions- Stan asked about the blacktop at engine 4 along with the A/C
