3. Discussion on the paving schedule for East Main St. and the surrounding streets to be paved.

4. Discussion in regards to the plans O&R has in the works for low pressure and cast iron replacements throughout the City in the next three years.

5. The DPW will ramp up preparations for the winter season in regards to plow prep and salt/sand prep. Discussion on the need for salt this year with no funds available.

6. Discussion on the truck exhaust on the newer trucks and the maintenance needed to keep them operational. (this was a complaint from a citizen)

7. Water Dept. will again be flushing hydrants after paving is complete. **DPW will give work with the PJ Middle School, Hospital, Fish Market and Gillender Glass for flushing times.**
