DPW Meeting Minutes
June 5th, 2018 6PM

1. The Tri State Bridge /Road Widening along with the sidewalk project are currently out to bid. The project is being picked up by a lot of Companies so hopefully the bids will be competitive. Bid opening is scheduled for June 14th
2. The Hudson St Bridge project is back to construction again with regards to sidewalks and wall replacement. Paving will take place in 2 weeks as soon as the concrete work is completed.
3. Current projects underway
 - a. Sidewalk reconstruction downtown. Will be complete Friday 6/8/18. 4 Fowler Street held up project because it only had a 1” water line for sprinklers. We had to install a 6” line.
 - b. Building construction on the Promenade for pumps for fountain water line; shed wiring. We have to mulch and do tree planting.
 - c. Yard Debris collection
 - d. Street light installations are continuing
 - e. Pothole repair is continuous. We are running behind.
 - f. Boiler violations and repairs being done in City Hall to remediate them
 - g. Camera wiring installation will begin soon (city hall) Partially completed., Next week.
 - h. Building Dept grass cutting has started with the two temporary workers hired. Getting caught up with Building Official list plus City owned properties.
4. The next project to be undertaken will be the repaving/ADA ramps and manhole/catch basin rehab for Jersey Ave. Paving to take place once all of the structures are rebuilt or replaced. Looks like end of September. We will do as much as we can from Fowler Street to TSE.

Maria asked about lines painting on Ball Street. Steve thought this had been done. They are doing main streets first and then side streets. Maria asked about a 90 minutes parking limit by Kiel Van Horn office. She also asked if yard debris is still being picked up. Meeting adjourned 6:15 PM..
