A. This Local Law is enacted pursuant to the New York Municipal Home Rule Law and the Agriculture and Markets Law to provide for the licensing, identification and control of dogs. Effective January 1, 2011, the State of New York has relinquished the responsibility of dog licensing function to local municipalities and will eliminate the Animal Population Control Fund. Local municipalities will now be required to adopt legislation relating to this issue, which is the purpose of this section.

B. This Local Law is enacted pursuant to the provisions of Article 7 of the Agriculture and Markets Law as amended by Part T of Chapter 59 of the Laws of 2010 and the Municipal Home Rule Law of the State of New York, as the same may be subsequently amended and supplemented.

C. All words, terms or phrases used herein shall have the meanings indicated below or as defined in the Agriculture and Markets Law. If no specific definition is set forth, all words shall have their usual and customary meaning in the English language. Words used in the present tense include the future and the plural includes the singular. The word "shall" is intended to be mandatory.

D. Chapter 215 of the Port Jervis City Code as it currently exists shall herein and hereby be repealed and, in its place and stead, this Chapter is enacted and shall be designated as the new Chapter 215 of the Port Jervis City Code and shall be entitled "Dog Control".

HARBOR

To provide food or shelter to any dog.

IDENTIFICATION TAG

A tag issued by the Clerk that sets forth an identification number, as required by the provisions of this section.

OWNER

Any person who harbors or keeps any dog.

D. Dog licensing requirements, procedures and fees.

(1) License application.

(a) The owner of any dog reaching the age of four months shall immediately make application for a dog license. No license shall be required for any dog under the age of four months that is not at large or that is residing in a pound or shelter maintained by or under contract or agreement with the state or any county, city, town or village, any duly incorporated society for the prevention of cruelty to animals, duly incorporated humane society or duly incorporated dog protective society.

(b) Application for a dog license shall be made to the Clerk and shall be accompanied by the appropriate license fee, as specified below.

(c) The application shall state the sex, actual or approximate year of birth, breed, color(s), and municipal identification number of the dog, and other identification marks, if any, and the name, address, telephone number, county and residence of owner, and such other information as deemed necessary by the Clerk.

(d) In the case of a spayed or neutered dog, every application shall be accompanied by a certificate signed by a licensed veterinarian showing that the dog has been spayed or neutered, provided that such certificate shall not be required if the same is already on file with the Clerk.

(e) The application shall be accompanied by a statement certified by a licensed veterinarian showing that the dog or dogs have been vaccinated to prevent rabies or, in lieu thereof, a statement certified by a licensed veterinarian stating that because of age or other reason, the life of the dog or dogs would be endangered by the administration of vaccine. The Clerk shall make or cause to be made from such statement a record of such information and file such record with a copy of the license.

(2) License fees. The fee for a dog license shall be set by Resolution of the Common Council, from time to time.

(a) Upon submission of proper documentation, there shall be no fee charged for the license issued for any detection dog, guide dog, hearing dog, police work dog, service dog, therapy dog, war dog or working search dog, as such terms are defined by the Agriculture and Markets Law or by Article I of this Chapter **161**.

(b) In addition to other applicable fees, any person applying for a dog license for a dog identified as unlicensed during an enumeration shall pay an additional fee of \$25. Such additional fee shall be used to pay the expenses incurred by the City in conducting the enumeration, if the City conducts such an enumeration. In the event that the additional fees collected exceed the expenses incurred by the City in conducting an enumeration in any year, such excess fees may be used by the City for any other lawful purpose.

(c) In the event any person applying for a dog license has failed to pay for or renew a dog license for all or part of any prior year, such person must pay to the City all licensing fees that would have been due and payable in such prior years along with the licensing fees due and payable for the current year for which such person is applying for a dog license. By way of example, if the owner of a dog applies for a dog license to cover the year from May 1, 2015, through April 30, 2016, but should have obtained or renewed a license for that dog for the prior three years and failed to do so, such

person must pay the licensing fees for the year May 1, 2015, through April 30, 2016, as well as the applicable licensing fees for the prior three years.

(3) Upon validation by the Clerk, the application shall become a license for the dog described therein. Once an application has been validated, no refund shall be made.

(4) The Clerk shall provide a copy of the license to the owner and retain a record of the license in either paper or electronic format.

(5) A license shall be renewed after a period of one year beginning with the first day of the month following the date of issuance. Renewal shall be for a minimum of one year and shall not exceed three years, based on the validation term of the rabies vaccination.

(6) No license shall be transferable. Upon the transfer of ownership of any dog, the new owner shall immediately make application for a license for such dog. The original issued identification tag shall remain the same for the life of the dog.

(7) No dog can be adopted out of the City's animal shelter without first obtaining a license from the Clerk.

E. Identification of dogs.

(1) Each dog licensed shall be assigned, at the time the dog is licensed for the first time, a permanent municipal identification number. Such identification number shall be carried by the dog on an identification tag that shall be affixed to a collar on the dog at all times.

(2) The identification number shall constitute the official identification of the dog to which it is assigned, regardless of changes of ownership, and the number shall not be reassigned to any other dog during the lifetime of the dog to which it is assigned.

(3) At the time a dog is first licensed, one identification tag shall be furnished to the owner at no charge. Any replacement tag shall be obtained by the owner at his expense at a fee of \$5.

(4) No tag carrying an official identification number shall be affixed to the collar of any dog other than the one to which that number has been assigned.

(5) The identification tag shall be imprinted with the words "City of Port Jervis" and "State of New York," a unique identification number, and the telephone number of the Clerk's office.

F. Change of ownership, lost or stolen dogs. In accordance with the provisions of § 112 of the Agriculture and Markets Law:

(1) In the event of a change in ownership of any dog that has been assigned an identification number or in the address of the owner of record of any such dog, the owner of record shall, within ten (10) days of such change, notify the Clerk.

(2) If any dog that has been assigned a municipal identification number is lost or stolen, the owner of record shall, within ten (10) days of the discovery of such loss or theft, notify the Clerk.

(3) In the case of a dog's death, the owner of record shall so notify the Clerk, either prior to renewal of license or upon the time of such renewal.

(c) Any dog which poses an immediate threat to the public safety.

(d) Any dog in violation of this Section of the Local Law.

(2) The Animal/Dog Control Officer, when acting pursuant to his or her special duties, shall make and maintain a complete record of any seizure and subsequent disposition of any dog. Such record shall include, but not be limited to, a description of the dog, the date and hour of seizure, the municipal identification number of the such dog (if any), the location where seized, the reason for the seizure and the owner's name and address, if known.

(3) Each dog seized in accordance with the provisions of this section shall be properly sheltered, fed and watered for the redemption period as hereinafter provided.

(4) Each dog which is not identified, whether or not licensed, shall be held for a period of five days from the day seized during which period the dog may be redeemed by its owner, provided that such owner produces proof that the dog has been licensed and has been identified pursuant to the provisions of this section and further provided that the owner pays the following impoundment fees:

(a) Not less than \$275 for the first impoundment of a dog owned by that person.

(b) Not less than \$300 for the second impoundment, within one year of the first impoundment, of any dog owned by that person.

(c) Not less than \$325 for the third and subsequent impoundments, within one year of the first impoundment, of any dog owned by that person.

(d) If, upon redemption, any dog received a rabies vaccination, the charge for such vaccination shall be added to impoundment fees.

(5) If, at the end of the appropriate redemption period, said dog has not been redeemed by its owner, the owner shall forfeit all title to the dog and it shall be available for adoption or be released to an authorized humane society or shelter.

(6) Prior to releasing a dog to its owner or adopting out a dog, the Animal/Dog Control Officer shall deliver to the owner a statement of number of days the dog has been in the shelter and the costs for any veterinary care, which statement the owner shall take to the Clerk to whom all fees due and owing for the shelter and veterinary care shall be paid, together with the impoundment fees and any licensing fees, whereupon the Clerk shall give a receipt to the owner who shall then deliver it to Animal/Dog Control Officer, at which time such dog may be released to owner.

H. Fees can be changed upon Common Council resolution. Any fees charged under this Section of the Code of the City, or any penalties imposed under this Local Law, may be changed from time to time by resolution of the Common Council of the City.

Section 2. Leashing.

All dogs in the City of Port Jervis, New York, whether or not tagged or licensed, shall be restrained by a leash while off the owner's premises, and any dog not so restrained and found off the owner's premises shall be seized by any peace officer, Animal Control Officer, Dog Warden or designated representative of the Commissioner of Agriculture and Markets and held, sold, redeemed or destroyed in accordance with the provisions of the New York State Agriculture and Markets Law or this article. In addition, any dog that is restrained by a leash or other type of restraint while off the owner's premises and while in a public area, or in a common area of a residential or commercial property, or in the public right-of-way, must be attended and supervised at all times by the owner of the dog or an agent of the owner, so that such dog does not impede or affect the safe passage by or presence of members of the public through, in or over such public area, common area of a residential or commercial property or the public right-of-way.

Section 3. Running at large.

No person shall permit his dog to run at large.

Section 4. Howling or barking.

B. No person shall permit his or her dog to howl or bark during the hours between 10:00 p.m. and 8:00 a.m. for a period in excess of five minutes continuously. No conviction shall be allowed under this subsection without the corroborating testimony of at least one witness from a property other than that owned or occupied by the complainant. It shall be an affirmative defense to such violation if the owner of the dog proves that the only reason the dog was barking or howling was that the dog was being provoked by a person or was acting as a guide dog, hearing dog, service dog or police work dog.

Section 5. Removal of feces required; disposal; exceptions.

A. Removal of feces required. Any person owning or in charge of any dog which soils, defiles, defecates on or commits any feces on any common thoroughfare, sidewalk, passageway, play area, park or any place where people congregate or walk or upon any private property, without the permission of the owner of said property, shall immediately remove all feces deposited by any such dog, in a sanitary manner.

B. Disposal of feces. The feces removed from the aforementioned designated areas shall be disposed of by the person owning or in charge of any such dog in a sealed, nonabsorbent, leakproof container.

C. Exception for guide dogs. The provisions of this section shall not apply to blind persons who may use dogs as guides.

A "service dog" is any dog which has been or is being trained to do work for the benefit of a person with a disability, provided that the dog is or will be owned by that person, his or her parent, guardian or legal representative. "Disability" is now the same definition as used in the Executive Law¹²¹ as a physical, mental or medical impairment resulting from

anatomical, physiological, genetic or neurological conditions which prevents the exercise of a normal bodily function or is demonstrable by medically accepted clinical or laboratory techniques or a record of such an impairment or a condition regarded by others as such an impairment.

Section 5.2. Detection dogs.
