2. Attendance: Vince Lopez, Jack Farr, Rob Waligrowski, Stan Siegel, Bob Richie, Frank Bell, George Belcher, Kelly Decker, and Jerry Oney.

Directors Report:

January 22, 2013

DPW Meeting:

DPW Crews:

1. Finished removal of Christmas decorations.
2. Repaired roadway at the Neversink Bridge.

Discussion held on bridge status, culverts on East Main Street to start around October of this year. Bridge to start in the spring of next year. Property acquisition to begin next month. Robbie asked Vince to check the cold patch on bridge. Jack said he'd take a look at it.

3. Conducting City wide Christmas Tree pick-up.
4. Removing snow from sidewalks at dozens of private owned property.
5. Completing new offices for Community Development at the Youth Center.

Bob Richie asked if the C. D. A. could move into the Youth Center by February. Vince stated, yes,

6. Water Treatment Plant raw water pumps are in critical need of replacement. This need was included in the 5 year plan for funding in a 2012 Bond Issue.

Discussion held on status of the pumps and financial plan to replace them.

7. Siemens, has made a proposal to remove and replace existing HVAC monitoring devices in all buildings. (Discussion)

8. Water Treatment Plant is in need of two (2) new Boilers. One is completely malfunctioned and the other is leaking.

### Old Business:

1. Kelly discussed concerns about bridge design and culver designs on East Main Street. Also stated he'd like us to approach O & R about locating the utilities underground.
2. Stanley thanked the D.P.W. for clearing the hydrant of snow at Hill Street.

### New Business:

1. Frank Bell asked about the status of the new water plant operator. Vince stated that interviews would be conducted shortly.

Adjournment: Meeting adjourned at 6:32 pm.
