

DPW Minutes April 2015

1. Call to order 6:02PM

2. Attendance: K Cunningham Chairman, G. Oney,

B. Ritchie, D. S. Seigel, G. Belcher, Director J. Farr

3. Director's Report

A. The safe streets sidewalk grant interviews started today, Monday, April 6th and will continue pm Tuesday, April 7th. The Chief and I will hopefully bring a recommendation to the Council at the next Council meeting. Anticipated completion time is September, 2016 before the school year starts.

B. East Main Street Bridge and Road Widening final design report is in the DOT's hand for their final review. The next step would be if approved, the Final Design will be brought to construction plans.

C. Promenade is still in the review stage with the DOT and a conference call was in the works to talk about the revisions. A bid will follow in the months ahead.

D. Paving of streets for this year will include E. Main Street from Pike St. to Fowler St. and the rest are still in discussion.

E. Clarifier project is approximately 2 weeks behind schedule but progressing very well at this time.

F. Hydrant flushing is to begin and there was a discussion of plans to do it during the day. Information about what hydrants will be open each day will be available on the city website.

7. Adjournment

6:28 PM
