## **DPW Minutes** **November 5, 2015** **6:07PM**

### **Present-Chairman Kevin P Cunningham, Director Jack Farr**

1. Wagner Place sewer project commencement and discussion. Pioneer Construction will be the contractor for this project.
2. The discussion that has been had in regards to the new detectable crosswalks with myself and the NYSDOT Region 8 office and the possible payment for them through the CHIPS program.
3. Discussion on the antique street lights in regards to the repair and the talk that has taken place in regards to changing all of the light bulbs to LED. The existing light bulbs were supposed to last for 5-10 years but many have only lasted months.
4. Water clarifier update and the discussion on the extras that the contractor was due in regards to the cold weather concrete work that was done last winter. Money to cover the extras are already put aside for this project and will not cost the city any additional funds.
5. Discussion on the interviews with the 5 Engineering firms that took place last week for the CDBG Grant for the Jersey Ave, Owen St and Hammond St sewer project.

A: MHE

B: CP Engineering

C: Fusco Engineering
