### Pledge

**Chiefs Report:** -October 8<sup>th</sup> is Table top for the November 7<sup>th</sup> drill.

-Front St pre-plan re:19-55

-Bi laws still work in progress

**Vehicle Maintenance/ Emergency Management:** -KME lawsuit is a mess. Have been playing phone tag with Fox office. Apparently Truck 7s stuff is in with Engine 2..Engine 2's warranty has expired.

-Still need to discuss Truck 7 bill with KME

-Pump maintenance is scheduled for next month-

City Mitigation meeting last week. Only the hospital and school district came. Tuesday the 29<sup>th</sup> meeting the hospital is not compliant

-29<sup>th</sup> is the eage creek action plan drill

-Siren bill was \$986. That drained the budget.

-Final Cannonsville meeting. All is back to normal. There was no comment on generating plant

As far as downtown building..If there are any condemned buildings the building department needs to contact the fire department and put plywood with a red X

**Questions-** Stan asked about the talk about the closest unit being dispatched..it will be discussed at a later date and time..as details come about.

**Adjourned:** 7:40
