Vehicle Maintenance/ Emergency Management:

Tom Vicc: KME is questioning why CAT was chosen to work on Engine 2. They don't believe the reason??
Mike Fox has all the paperwork and documents

New issues with Engine 2. Paint (primer) is pulling away from the truck. Paint warranty is 10 years.
Bavoso to handle.

Engine 5 was forced off the road responding to a call. All proper measures taken and the insurance will
be taken care of. \$2000-\$3000 in damages.

O&R drill was a success

During the recent power outage there were few alarms. O&R was efficient.

Tom is going to question Paladino on the status of the generator for Pike St.

The dike where the Flo-Jean was is deteriorating. The 12x16 blocks are knocked off the foundation. One
window is still open in basement. Will allow water to fill in and cause issues.

Marie from the Rivermaster was inquiring about Flo-Jean and wont help with citing owner.

Tom will help with Dave Rivera on getting the issue taken care of and having dike reinforced by property
owner.

Questions- None
