## **City of Port Jervis DPW Meeting**

**May 2, 2016**

### **1- Promenade Project:**

**Sent documents back to DOT for review, then have to go back out to bid.**

**City has already invested 160,000 to 170, 0000 in project. Jack said not sure how much**

**Else to cut from original plans.**

### **2- Hydrant Flushing:**

**Flushing went well usually took 6 and a half weeks they did in 4 weeks. Jack said haven't received any complaints regarding smell or dirty water. Said clarifier has a lot to do with it. Also clarifier project is 95% complete they still have to repair parking lot and do gutter work.**

### **3- Tri-State Bridge and Road Widening:**

**One property is being purchased so they can move forward. Also Orange and Rockland will not foot bill for underground wiring. Deceptive lighting City has to foot the bill this will be costly.**

**4- Orange and Rockland gas replacement:**

**Will be from south Maple to Kellogg road will not be closed**

**5- Underpass cleaning:**

**DPW will paint and clean up concrete**

**6- Discussion on advancement of Tom Snyder:**

**Promote to Mechanic been doing work for 15 years alongside other mechanics and is getting out of title pay anyway so no additional cost. Will bring before Council**

**7-Discussion in regard to possible bond for projects for DPW/Water.**

**Jack gave a list of needs for department,**

**Comments:**

**-question on seasonal or part-time position**

**-question on when street cleaner is used and cost for it.**
