DPW Meeting Agenda December 5th, 2016

1. Discussion on the reservoir levels and the need to continue the water restrictions that are currently in place or they should be upgraded to mandatory restrictions.
2. Discussion in regards to safety on the watershed as today we located several individuals with fire arms illegally hunting on City owned property.
3. Tri State road widening and bridge replacement project and the stages we are currently at in regards the project. (land acquisition payments)
4. Presentation from Farr Engineering on the current status of our dams and work that needs to be done to stay in compliance.

Meeting convened at 6pm

Attendance: Kristin Trovei Lisa Randazzo Farr Engineering (James Farr owner)

Discussion were had on all of the above subjects.

The dams were discussed and were found to be in satisfactory condition with some minor work to be done immediately and some major expenditures needed in the next 5-year window.

There was a discussion in regards to the guiderail at Jersey Ave and E Nain St and if it was going to be funded. This was going to be researched to decide if funding was approved.

Meeting adjourned at 6:45 pm
