### Fire Chief's Report:

#### Old Business:

- The discussion about annual physicals will be continued at the February Finance meeting.
- The Forceable Door Simulator will be shipped this week, ahead of schedule. It will be installed at Truck 7 fire station.
- The FD washer at Engine 4 is out of service and will be repaired at no cost next week.
- Accountability Tags are being updated and Bill Werner will be taking photos on a scheduled basis. O.C. Fire will be providing the tags at no cost per the county policy.

#### New Business:

- A discussion about a grant harnesses will be brought up at the February Finance meeting.
- We have to start a discussion and plans for Engine 1 replacement.
- In March, the FD will present Cancer guidelines for the protection of our members and the city. After the March BoO meeting, Jamie Rohner will teach a 1 hour "Stop the Bleed" class.

### Emergency Management Report:

#### Old Business:

None.

#### New Business:

- Rivers are OK, good flow and no bottom ice.
- There were problems with the Farnum House alarm system, caused by squirrels.

### Vehicle Maintenance:

#### Apparatus Updates:

- There are only minor issues with our apparatus.

### **Other:**

- None
