Fire Chief's Report:

Old Business:

- Forceable entry door simulator has arrived early.
- "Stop the Bleed" class has been scheduled.
- Photos for ID cards are almost complete.

New Business:

- Ordered 3 vehicle Knox Boxes for Fire Chief vehicles to secure keys in vehicles.
- Good job at West End fire and only lost one SCBA mask due to heat damage.
- New washing machine, at Engine 4, is leaking. Company will come and repair it.

Emergency Management Report:

Old Business:

- DPW trimmed trees on W. Main Street. They did an adequate job.

New Business:

- Reservoirs down a little to about 98%.
- Still no curb cut at Waters Edge Fire Lane to East Main Street, even though there was an agreement for the city to do it. J. Farr to be notified of need.

Vehicle Maintenance:

Apparatus Updates:

- Hooks was Out of Service but just back in time for West End fire.
- Hooks was Out of Service again for battery problem.
- Engine 1 was Out of Service for parts but back in service.
- Engine 4 is Out of Service for out of town calls, awaiting repairs to Squirt.

Other:

- None.
